

The mission of Boys & Girls Clubs of America (BGCA) is to enable all young people, especially those who need us the most, to reach their full potential as productive, caring and responsible citizens.

The New Hampshire Boys & Girls Club Alliance is comprised of 8 Organizations with 18 Club Sites around the state serving 28,628 youth ages 3-18 across New Hampshire.

Based on BGCA’s annual National Youth Outcome Initiatives Comparison Report:

- **98%** of members surveyed have abstained from cigarette smoking;
- **95%** of members surveyed have abstained from the illicit use of prescription drugs;
- **97%** of members surveyed have abstained from binge drinking; and
- **96%** of members surveyed have abstained from marijuana use.

Additionally:

- **96%** of members surveyed are on grade level for age;
- **96%** of members surveyed will complete high school; and
- Over **75%** of members surveyed anticipate completing either a 2 or 4 year college program.

The success rate of Boys & Girls Club members on these indices is consistently higher than the national average of non-Club youth, proving the effectiveness of Club programming such as Power Hour, SMART Moves and Project Learn.
